Information ~ 3

Program ages are determined by grade completed during the 2018-2019 school year

Registration Information

- Registration & release forms are included in this booklet; return them at your first convenience to the school or the Town Office. Some programs are right around the corner, so time is of the essence. A release form must be on file for ALL participants.
- Payments should be made for all programs at the time of registration. Some programs have a maximum number of participants. A child will not be considered enrolled in a program until payment is made in full, unless other arrangements have been made.
- Please make checks payable to the Town of Easton.
- If you would prefer to do registration in person, please schedule a time to meet with Hillary by calling 551-7737 or email recreation@eastonme.com.

Program Times

- It is essential parents know the time programs begin & end so arrangements are made to have the child picked up on schedule.
- Due to our small staff and the many programs offered, there is often little or no time between activities. Please do your very best to have your child dropped off & picked up on time!
- Children should not be dropped off early; it leaves the Town at risk of liability and your child could be unsafe. Thanks for your cooperation.
- We do our absolute best to adhere to bus schedules; however, road work, sick children, etc. are out of our control. If we are running more than 15 minutes late, you will be contacted.

Discipline

If your child misbehaves or is not listening to our staff or parent volunteers while participating in any program, the following actions will be taken:

1st Warning - Verbal warning & director/staff will be notified.

2nd Warning - Child will be removed from activity for the remainder of the day.

3rd Warning - Parent will be notified & the child may not participate in the next scheduled day of that program.

If a child is suspended from a program more than once, they may not participate for the remainder of the season!

Remind child(ren) to treat staff, other children, & parents with respect at all times!

Tee-Shirts ~ 23

It has become a tradition to purchase tee-shirts as a memento but they also serve as a safety precaution. When in a large group, it is very helpful to have all the children (staff, parents, volunteers, etc.) dressed in the same color to easily keep track of everyone. Shirts will also be required for Grades 1&2 and Grades 3&4 soccer teams. It is strongly recommended you purchase a tee-shirt (or two) if your child will be attending field trips and outings throughout the year. This year's tee-shirt are lime green with logo, as seen on right. Shirts are in stock at the Town Office and quantities & sizes are limited: first come, first serve.

The cost is \$15

Border Regulations

Due to the border crossing regulations, the Easton Recreation Department is strongly encouraging children to get a passport card. You can apply for the card at Presque Isle or Mars Hill Post Office: the approximate cost is \$60. Children may still cross the border (without a passport on a school bus) with a certified birth certificate (one that is stamped by the town clerk and on official paper) and a permission slip. You must get your child's birth certificate at the Town Office/City Hall in the town where your child was born. Effective June 1, 2009, all adults **MUST** have a passport or passport card in order to cross the border. All children and adults will have to show proof before boarding the bus for trips that cross the Canadian border. Thank you for your cooperation with this matter!

Registration Deadlines

Registrations should be received in person by September 13th. After this date, a \$5 late fee per child will apply. Also, some programs will be closed to registrations in order to purchase supplies and make reservations! There will be an out of town fee (\$10) only for the first program a non-Easton resident enrolls in.

Please remind your children to treat all employees, children, & volunteers with respect at all times!
