Softball is Back

This will be our fifth year for an adult co-ed softball league and it has been a hit to say the least. We will be offering this program again; teams have already registered with the Recreation Department. We will have certified umpires this summer and more specific rules will be en-

forced. Games will be played on Tuesday and Sunday evenings starting after Memorial Day through mid-July. If you do not have a team but would like to play please contact Hillary to have your name put on a roster.
