## Basketball Updates

I have had a lot of questions about the upcoming basketball season. So here is some info for clarification....

**5&6 grade basketball** will begin in mid-January after the Junior High Season is completed.

**3&4 grade co-ed basketball** will tentatively start in early January with the possible exception of a few days in December depending on gym availability.

**1st & 2nd grade basketball** will begin early January.

**Elk's Hoop Shoot** - During the month of December students in grades three through eight have the opportunity to compete in the national Elk's Hoop Shoot Contest (foul shooting). Trophies will be awarded at the school for all divisions. Winners will advance to the district shoot-out in January at UMPI.

**Hot Shots** - During January & February we will participate in MPRA's Hot Shot competition for youth 9-18 years of age. It involves shooting from five "hot spots" marked on one end of the basketball court. This competition will test each contestants speed, shooting, dribbling & rebounding ability. Division winners will advance to the Regional Competition then advance to the M.R.P.A Red Claws State Hot Shot Competition.

## ZUMBA CONTINUES

The current Zumba session has been running since October 15th & and will continue through November 15th. Classes take place at 6:30PM on Mondays and Thursdays in the Easton Elementary Gym. Drop-ins encouraged and cost is by donation. Taught by Theresa Bonner.

Come enjoy a fun filled easy workout. You'll have so much fun you won't even realize it's a workout. Theresa will show you all you need to know as we move through the music. This will be taught at a mid impact and instructor will show moves for those that wish to take it to a higher level. Either way - you'll leave with a smile. No preregistration is necessary. See you on the floor!
