

SUMMER 2020

Registration is Open, Join Us!

A Letter from your Director ~ 2

Hello Easton residents and welcome back summer! It with excitement and caution that we announce our summer programming. There have been many sleepless nights laboring over making the right call for our community, staff, and families. For the last 13 weeks, the biggest question that I have been asked is, "Will there be summer rec?" The answer is YES; but it will look much different than in years past. The state's guidelines have been set by the Department of Economic and Community Development. The guidelines laid out restrictions for large groups, social distancing, face masks, daily temperature checks along with health screenings, and cleaning protocol. By following these procedures, we hope to offer a safe, variety of fun activities.

A couple of housekeeping issues — you will see them repeated several times throughout this program because they are important! We will conduct daily health screenings, breakfast and lunch will be served "drive thru" style starting July 1, parents/caregiver must provide transportation to all venues (bus transportation isn't permitted), and all participants must have Town of Easton and Covid-19 release forms on file in order to participate. Field trips are not recommended by the DECD nor are competitive sports; therefore, we will not be able to offer either until further notice. Also, please remember as guidelines change, you may see adjustments to our programs. For the time being, our programs will be for Easton residents & those enrolled in Easton Schools only! There will be no senior programming this summer.

Without further ado, your Summer 2020 Program offerings...

Much Love,
Hillary

General Information ~ 4

Registration Information

- Registration & release forms are included in this booklet; return them at your first convenience to the Town Office. Some programs are right around the corner, so time is of the essence. Release forms must be on file for ALL participants for applicable programs!
- Payments should be made for all programs at the time of registration. All programs have a maximum number of participants to meet guidelines. A child will not be considered enrolled in a program until payment is made in full unless other arrangements have been made. Also, if a program doesn't meet minimum number requirements, it may be cancelled and refunds will be given.
- Please make checks payable to the Town of Easton.
- Any questions or clarifications needed, please call 551-7737 or email recreation@eastonme.com.

Program Times

- It is essential parents know the time programs begin & end so arrangements are made for drop off and pick up.
- Due to this year's health screenings and sanitization requirements, it is essential times be followed!
- Children should not be dropped off early; it leaves the Town at risk of liability and your child could be unsafe. Thanks for your cooperation.
- A child's ride should not leave the event property until the child(ren) that person is dropping off has cleared daily health screenings.

Discipline

If your child misbehaves or is not respectful to our staff or parent volunteers while participating in any program, the following actions will be taken:

1st Warning - Verbal warning & director/staff will be notified.

2nd Warning - Child will be removed from activity for the remainder of the day.

3rd Warning - Parent will be notified & the child may not participate in the next scheduled day of that program.

If a child is suspended from a program more than once, they may not participate for the remainder of season!

Remind child(ren) to treat staff, other children, & parents with respect at all times!

Program ages are determined by grade completed during the 2019/2020 school year

"Airing Out" Tobacco's Dirty Laundry

T-Shirts ~ 11

It has become a tradition to purchase t-shirts as mementos but they also serve as a safety precaution. When in a group, it is very helpful to have all the children (staff, parents, volunteers, etc.) dressed in the same color to easily keep track of everyone. It is strongly recommended you purchase a shirt (or two) if your child will be attending recreation events & outings throughout Summer, Harvest, and the school year!

Available in youth & adult sizes.

This year's t-shirt will be tie-dye with logo, as seen below. Shirts must be pre-ordered to ensure adequate supply. Please email order by 6/19 @ 3:00PM to recreation@eastonme.com.

T-Shirts: \$12.00

Summer Feeding ~ 12

The first day of Easton Recreation's Summer Feeding Program will be Wednesday, July 1. Each week-day, Monday through Friday (with the exception of Friday, July 3) from 11:30AM until noon families may pick up lunch and breakfast (for the following day) "drive-through" style at the Easton Recreation Department (23 Station Road). You do not have to attend recreation activities to be eligible. Please drive in the drive-way closest to the Recreation building and exit the further driveway from building. This is open to everyone - no income guidelines. Meals should NOT be consumed on-site! Please use proper food handling for any food not consumed immediately.

TOWN OF EASTON RECREATION DEPARTMENT 2020 SUMMER REC. TEMPERATURE SCREENING PROCEDURES DURING COVID-19 PANDEMIC

The following procedures have been adopted by the Town of Easton to ensure the safety of children participating in the Easton Recreation 2020 Summer Program during the COVID-19 pandemic. These procedures are in effect through August 31, 2020.

1. All children wishing to participate in the Recreation activities must undergo a daily health screening before admittance.
2. Parents/guardians must sign an authorization/waiver allowing health screenings. The authorization will specify that it is good for the entire summer, but permission is revocable by the parent at any time. See attachment-Authorization/Waiver.
3. Parents/guardians shall provide a telephone number where the parent/guardian can be reached that day.
4. The health screening area shall be in the foyer or outside of the building, or area where rec is being held that day, such that it is separate from children who have already passed the screening. People waiting to have screening must be spread out to maintain six-foot separation.
5. A Town of Easton employee trained to use the equipment will conduct the screenings.
 - The Tester shall be screened daily before administering any screenings of participants.
 - The Tester shall wash hands or use sanitizer before donning protective equipment.
 - The Tester shall avoid physical contact if possible.

¹These procedures are based upon the following CDC guidelines: <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/guidance-for-childcare.html#ScreenChildren>

Health Screenings B ~ 17

6. Health screenings will be conducted using a no-contact infrared thermometer unit(2). If the infrared thermometer is not working, a forehead thermometer may be used.

- If a no-contact thermometer unit is used, the Tester shall wear gloves. The Tester may also wear a facemask. Gloves shall be changed after any contact but need not be changed if there is no contact during a screening.
- If a forehead thermometer unit is used, the Tester shall wear a facemask & gloves while taking readings. Gloves must be changed after each screening.
- All equipment shall be disinfected after each use with an alcohol wipe.
- The Tester shall follow any manufacturer's directions specific to the thermometer unit.
- The thermometer unit shall be placed in the testing environment for 30 minutes prior to use to adjust to the environment.
- The Tester shall ensure that children being screened are calm and have not recently been engaged in activity that would artificially impact the reading, such as prolonged standing in the sun, running around, or wearing heavy clothing. Note that using facial cleaning products before a reading may artificially reduce temperature. If necessary, the Tester should have a child sit quietly in the shade until the child is calm and breathing at a normal rate.
- The Tester shall ask the parent/guardian:
 - ⇒ if the child has had a persistent cough, shortness of breath, fever in the past 24 hours;
 - ⇒ if any other person residing in the household has had a persistent cough, shortness of breath, or has had a fever in the past 24 hours;
 - ⇒ if the child has had any medication to reduce fever in the past six (6) hours;
 - ⇒ if the child has been in close proximity with anyone suspected of having or confirmed as having COVID-19 in the past fourteen (14) days.

The Tester shall make a visual inspection of the child for signs of illness (flushed cheeks/rapid or difficulty breathing when the child is calm, fatigue, extreme fussiness).

2 Information regarding infrared thermometers: <https://www.fda.gov/medical-devices/general-hospital-devices-and-supplies/non-contact-infrared-thermometers>

Health Screenings B ~ 18

- Readings shall be taken on an unobstructed area of the child's forehead. The test area must be clean and dry.
 - The unit should be held perpendicular to the forehead. Check the unit for the required distance between the subject and the unit.
7. Readings are taken on a pass/fail basis. Temperatures will not be recorded.
- ⇒ A reading of 99.5°F or below is considered normal and constitutes a passing reading and the child may be admitted to Rec.
 - ⇒ If a reading is above 99.5°F, the parent/guardian shall be notified of the failing reading and neither the child, parent, or any sibling may enter Rec. activities that day.
 - ⇒ If the parent/guardian indicates that the child has had a fever (a reading over 99.5°F) within the past 24-hours, neither the child, parent, or any sibling may enter Rec that day.
 - ⇒ If the parent/guardian denies symptoms but the child appears ill (flushed cheeks/rapid or difficulty breathing when the child is calm, fatigue, extreme fussiness), the child may not be admitted that day but siblings that pass the health screening may be admitted.
8. If a child passes the health screening but later seems ill, the child shall be isolated from the other children and rescreened.
- ⇒ If the child does not pass the temperature screening, the parent/guardian shall be required to pick up the child.
 - ⇒ If the child passes the temperature screening, whether to require the parent to pick up the child will be in the Director's discretion and the decision will be made on a case-by-case basis.
9. If a child does not pass a health screening because of fever, whether initial or one done later in the day in response to the child not feeling well, the child and any siblings will not be allowed to return to Recreation activities until the child has been fever-free for 24 hours without the assistance of fever-reducing medications.

Covid Release Form ~ 19

**Town of Easton Recreation Department
Summer 2020
Authorization/Waiver**

1. I, _____ (print name of parent/guardian), the parent or legal guardian of the participating child indicated below (the "Child"), hereby grant permission to the Town of Easton to perform a health screening, including taking the temperature, of the Child for the purpose of screening the Child for illness, including but not limited to COVID-19, in order to participate in the Easton Recreation 2020 summer program. This permission allows screening on a daily basis and it extends to re-testing the Child later in the day when I am not present. I understand that readings will not be recorded.

2. Participation in this activity may involve risk of injury or death. Furthermore, I understand that participating may involve contact with other participants and staff. While the Town of Easton is endeavoring to prevent accidental exposure of participants to people who are infected with COVID-19 through health screenings, I acknowledge that such screenings may not be 100% effective. I am aware of these hazards and I, for myself and my Child, voluntarily assume the risks associated with participation.

In registering for participation in Town of Easton's program(s) and in consideration for being allowed to participate, I, for myself and my Child, hereby waive and release all rights and claims against the Town of Easton, its officers, employees, agents, volunteers and supervisors from all losses, injury, illness, damages, fees, and other expenses arising out of, or in connection with, participation in the registered activity.

In addition, I give my consent for the Easton Recreation Department Staff to act in my place in all respects should the need arise during the course of this activity or related travel. This shall include, but not be limited, to obtaining medical care.

3. This Authorization is valid through August 31, 2020, although Paragraph 1 may be revoked at any time. I understand that if I revoke this Authorization, the Child will no longer be able to participate in the Easton Recreation Activities. Paragraph 2 is irrevocable for those dates where the Child participated in the Recreation program(s).

WAIVER/RELEASE FOR COMMUNICABLE DISEASES INCLUDING COVID-19

COVID-19: The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. It is believed that an individual can be infected with COVID-19 without their knowledge and be asymptomatic.

Pitch, LLC has installed preventative measures to reduce the spread of COVID-19. However, Pitch, LLC cannot guarantee that I, nor anyone else will not become infected with COVID-19, including my family and/or relatives. Participation in a Pitch, LLC sports program(s), related event, or activity, could increase the risk of contracting COVID-19.

By signing this agreement, I ACKNOWLEDGE the contagious nature of COVID-19 and VOLUNTARILY ASSUME THE RISK that I may be exposed to or infected by COVID-19 by participating in a Pitch, LLC athletic sports program(s), related event, or activity, and that such exposure or infection may result in personal injury, illness, permanent disability, and death to myself, my spouse, child(ren), guests, unborn child, or relatives. I understand that the risk of becoming exposed to or infected by COVID-19 at a Pitch, LLC athletic sports program(s), related event, or activity may result from the actions, omissions, or negligence of myself or others, including, but not limited to, Pitch, LLC employees, volunteers, and program participants. I UNDERSTAND AND VOLUNTARILY ACCEPT AND ASSUME ALL the foregoing risks related to COVID-19 and accept sole responsibility for any injury or illness that may occur. Further, I UNDERSTAND AND AGREE that this release includes any Claims based on the actions, omissions, or negligence of Pitch, LLC its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Pitch, LLC athletic sports program(s), related event, or activity.

FOR PARTICIPANTS OF MINORITY AGE (UNDER AGE 18 AT THE TIME OF REGISTRATION)
