Skiing at Big Rock

Each Thursday (starting January 7th) the Easton Recreation will participate in Ski for Life program at Big Rock Mountain. The cost is \$15 each week your child participates. \$15 covers lift ticket, rental equipment, and lessons. Concessions will be available.

Please be sure to let Hillary know on a weekly basis if your child(ren) will be attending. We must have a minimum of six children riding the

bus to take it on a weekly basis.

Hillary will be at school this week doing measurements for equipment and a form will be sent home that must be signed (in 2 places) and returned prior to your child being allowed to participate.

Please BE SURE your child has appropriate funds and gear. It is no fun to be cold and stuck outside. Indoor spaces will be limited this year due to the

pandemic.

Bus will leave from the Elementary School at 2:45 (children must have permission to attend) and return to the Elementary School at 6:00PM.
